

While you have some things to do to ensure the funds are submitted to his/her account; the SMART program provides a centralized location to manage bowling scholarships at no cost to you. You went to all the practices and games, drove to and from centers, was there to cheer your bowler ... and now you have the easy part.

Once your child's scholarship funds are submitted to SMART, you will have a one stop online site where you can see the scholarship(s) and, eventually your child will request them to further her/his education. Just go to <u>www.Bowl.com/SMART</u>.

Scholarship funds must be put into SMART within 30 days of the end of the event so your responsibility would be to check your child's SMART account to ensure the scholarship is added. Then, both of you can watch the scholarships grow as your daughter/son continues to bowl and earn more scholarships.

ONLINE RESOURCES

In a nutshell, once a scholarship has been submitted and funded your child automatically has a SMART account. Go to <u>www.Bowl.com/SMART</u> for information needed to efficiently manage your child's account, including:

- Frequently Asked Questions for recipients.
- Policy and procedures manual.
- Set up a username/password for the SMART Portal.
- Make sure all earned funds are in their account.
- SMART Portal where you can watch your child's funds grow as new scholarships are added.
