**New mixed doubles format.** The Mixed Doubles Tournament is a handicap virtual tournament. Each team shall consist of two senior members (age does not matter) – one male and one female who are members of the Nevada State USBCA. You may bowl with as many partners as you wish on the same squad. This event will use the scores from your singles games. You may enter into the doubles event in either set or both if you wish. This will allow you to bowl with more people without having to bowl as many games. You can also re-enter into the singles division and bowl the Mixed Doubles event again as well. The Mixed doubles will be limited to one PBA card member per team. PBA members must not be in exempt status to compete. Your scores from your three game singles series will be used. The combined scores plus handicap shall determine the tournament winners.
