

# Keli Callahan

## Superior Performance

Keli was born into a bowling family in Syracuse, New York, where she began bowling at the age of 5. She would accompany her parents to their bowling leagues, watching intently when not asking others for quarters to play the video games.

As a youngster, Keli competed junior leagues, the Youth Bowlers Tour in Central New York, and even earned her **Varsity letter** on the High School Women's Bowling Team as a 7th grader. In 1995, her high school team won the Women's New York State Championship, just the second team at her high school to win a State title! '

In 1994, Keli was inducted into the **Syracuse Youth Bowling Association Hall of Fame**.

Keli attended Erie Community College, in Buffalo New York for two years, then transferred to Fresno State University in California, primarily for the collegiate bowling program. Her collegiate career was full of championships – in team, doubles, singles, and all-events titles. Keli is no doubt a team player, and is at her best when contributing to a team. In 2008, Keli was inducted into the **National Junior College Athletic Association Hall of Fame**. In 2001 and 2002, Keli competed on the Professional Women's Bowling Association tour before the tour came to an end.

Keli moved to Southern Nevada in 2002. She immediately became a member of the local association, competing and excelling in local, State, and National tournaments. Since moving to Southern Nevada, she has two **mixed doubles titles**, a **women's team title** in the City tournament, and a **team title in the Nevada State Women's Bowling Championships**.

Keli also has three **Southern Nevada Bowlers Tour** titles. Since 2007, Keli has managed **thirteen top 10 finishes at the USBC Women's Championships**, and is ranked in the top 5 percent of participants year after year.

In 2017, she served as an **Athlete Delegate at the USBC Convention** in Las Vegas.

Keli earned her **20-year participation award at the USBC Women's Championships** in 2019.

Keli primarily bowls at the South Point during the winter and at the Gold Coast during the summer. She has served as secretary/treasurer of the summer league for nearly 10 years, and enjoys serving her fellow bowlers. She also volunteers with engineering organizations, and has organized bowling tournaments as fundraiser events for various groups. She also makes time to mentor youth bowlers considering a path to college through bowling. She is an ambassador of the sport, and enjoys introducing people to the game of bowling!

Keli Callahan is a spirited and dedicated competitor, top performer of the game, and an ambassador of the sport. She has demonstrated superior performance through her contributions at the collegiate level, where she was a **four-time All-American**, and earned the prestigious **Collegiate Bowler of the Year and Rookie of the Year** honors. Since moving to Southern Nevada, she has continued her superior performance at the local, State, and National levels.
