

Paul Enright – Superior Performance

Starting out as a young punk bowler to an ambassador of the game, Paul Enright is a strong competitor.

In his early days Paul started out bowling for UNLV and learned the game both physically and mentally. 20 years later he has represented the United States by bowling in 11 different countries and has become a wonderful asset to Ebonite by being their West Coast Sales Representative.

Bowling singles, Paul is someone to be reckoned with, yet put him on a team and he becomes a leader. He gives 110% to the sport and is someone you definitely want on your team. Leading some of his teams to 3 World Team Challenge Regional Championships, 1 World Team Challenge Championship and an eighth place in the USBC Open; it is with great pleasure to induct Paul Enright to the Southern Nevada USBC Hall of Fame.
