

## Valeria (Val) Shaw – Meritorious Service

It is our pleasure to induct Valeria Shaw for the Southern Nevada USBC Hall of Fame Meritorious service award. Val has been a bowler for more than 25 years in Las Vegas. She served on the LVWBA board and became a director on the

SNUSBCA when the associations merged. She has been on most committees and has always been proactive when tournaments come, putting out flyers and recruiting teams to bowl. She never hesitates to offer help to any committee and at every tournament. She has bowled at least 3 leagues every week and is a positive influence on the bowlers around her. She served on the awards committee before and since the merger, is the quiet backbone of every league and all committees both past and present. Everyone who knows Val would agree that she deserves this honor. Val is very deserving for this award for her commitment and countless hours that she has dedicated to our youth bowlers throughout Southern Nevada.
