

## 2015 Hall of Fame Inductees

**Lorie Hartwell**  
**Meritorious Service**

**Presenter:**  
**TBD**

Lorie Hartwell has been around bowling most of her life. Having bowled leagues and been league secretary and president at Southern California centers such as Concourse Lanes of Anaheim, Tava Lanes of Riverside and The Orange Bowl in Tustin, Lorie moved to Las Vegas in 1996 and was introduced to our bowling association by joining a league at The Orleans Bowling Center. With the opening of Suncoast, Lorie jumped ship to the new house by starting a bowling league where she became acquainted with and was hired part time by Nevada State Hall of Famer, Done Sharp. The position became full time and gave her the opportunity to assist with various leagues and meet several bowlers from the Pahrump area where she was asked to become the league coordinator at The Nugget Bowling Center in 2005. Two years later Lorie was not only asked to coordinate their leagues, she took the reigns as manager of the bowling alley and became known as the heartbeat of bowling in Pahrump. With her ongoing support of leagues, tournaments and charities such as The Special Olympics and Bowl for the Cure she has become the “go to” person for information due to her commitment and passion for the sport. It is with great honor that we welcome Ms. Hartwell into our Hall of Fame for Meritorious Service.
