Tim Schwerdtfeger
Superior Performance

Having been an active bowler in Las Vegas, Nevada since 1978, Tim has numerous achievements to his name including: 2 PBA Regional Titles (1984-1989), 6 PCB Titles (1984-1989, Rookie of the Year in 1984), 3 WCST Titles (2006-2008), 4 World Team Challenge Titles (1993-2000) and 1 World Team Title in New Orleans 2000.

However, his proudest moments included being the only one to average 200 in a PCB event in Capistrano where he finished first, being listed in the Palace Station's sports book as 30-1 to win in the 1986 Showboat Invitational and being the only bowler to win back to back professional events in history of the Showboat.

From 1980 to 2005 Tim was also an active participant in the Southern Nevada USBC City Tournament with several first place finishes.

It is our pleasure to welcome Tim to the Southern Nevada USBC Hall of Fame for superior performance.
