

# Paul Renteria

Paul Renteria has over 40 800's and now has 80 300's, numbers that, I'm sure, are higher than any bowler in Southern Nevada.

Paul was the first bowler to win the High Roller twice, both when they were still \$250,000 for 1<sup>st</sup> place.

Paul is a fierce competitor, who is very intimidating on the lanes (and off the lanes). What most people don't know is that Paul has a big heart, taking time to help kids and adults improve their game and wanting to help others love and enjoy the game as much as he does.

Paul's list of accomplishments in the Southern Nevada City Tournament is nothing short of dominating, winning each event several times.

Paul had worked in the Pro Shop at Sunset Lanes for over 11 years. Paul is also a great asset to any team, anchoring his way to 3 World Team Challenge regional wins, 1 World Team Challenge Championship and an eighth-place finish in the USBC Open.

Mr. Renteria has also won the Bulldog Masters and the Nevada State Masters, he is a clutch bowler who set the state doubles high score record with Dave Wodka.
