### Mike Kaufman Meritorious Service

Mike began his career with Boyd Gaming at the Sam's Town Bowling Center in 1988. As the manager of Sam's Town Bowling, Mike was instrumental in hosting a long list of prestigious events such as: LPBT/PWBA, PBA, High

Roller, International Eliminator/Mini Eliminator, Bowling World Cup (1999, 2015, 2018), as well as many Las Vegas leagues from California. At the same time running a multitude of leagues and robust open play in a 24/7 environment.

In 2006 Mike was promoted to the position of Director of Bowling Operations for Boyd Gaming. In this role he was responsible for overseeing four bowling centers, Suncoast, Gold Coast, The Orleans and Sam's Town.

Each center has its own focus and demographics. The Orleans is very much a tournament and open play center. The Gold Coast and Sam's Town host destination business but also have a strong league base. Suncoast is located in a more residential area and has the strongest league base of the centers.

Balancing the demand for bowling events and the availability of each center became Mike's responsibility. During Mike's tenure as the Director of Bowling Operations he had a role in hosting events such as: USBC Team Trials, USBC Masters, PBA50 Senior US Open, Junior Gold, Collegiate Events, USA Bowling, TNBA Nationals, The Forty Frame Game, the BTM Tournament, High Roller, True Amateur Tournaments, Military Bowling Championships, USA Las Vegas Bowling Tournament and many more.

Hosting these events brought bowlers from all over the world to Las Vegas. The background work required to bring these events to fruition is staggering. Mike partnered with the Las Vegas Convention and Visitors Authority on many events. There are contracts for each event that must be negotiated through the legal department, coordination of various departments for the needs of TV broadcasts, food and beverage needs, cleaning of the bowling centers, etc. Without this attention to detail, the events would not have been nearly as successful.

*From Jim Goodwin,former Publisher and Edtor of <u>Stars & Strikes</u> Newspaper: "As a bowling writer, PWBA employee, and media director for the Mini Eliminator, I attended the vast majority of pro and big event s at Sam's Town, Orleans and Gold Coast. Mike was always there getting the work done and making sure we had all we needed for quality events. He quietly took care of business and did not seek the spotlight. No one has done more for bowling in Las Vegas than Mike Kaufman."*

He became an avid bowler in the Las Vegas area, displaying his skills in mostly Senior scratch leagues and high level tournaments.

In spite of several major surgeries that would normally impair top level

bowlers, Bernie would always return to high level competition as soon as his doctors gave him the nod. This included a knee replacement, two hip replacements and most recently heart surgery.

His league activity in Southern Nevada is impressive. He averaged 232 in the 2009-10 season, and 233 in the 2010-11 season. Even shortly following his first hip surgery, he managed a comeback average of 202 in the 2014-15 season and is currently averaging in the mid 220's.

In the prestigious Senior Match Play League, Bernie is a three-time champion, and in the equal caliber Ken Bumpass Match Play League, a two-time champion. The past 2021-2022 HOF Senior Scratch League he managed a 4 to 8 place finish after his recent heart surgery at age 73. He also was a member of a winning team in the Budweiser Scratch Trio League.

Bernie Iwasczyszyn has nineteen 300 games, and six 800 series to his credit, with a high of 847.

Las Vegas, the Bowling Tournament Capital of the World, is host to many outstanding high level bowling competitions, where bowlers can reap rewards in the tens of thousands of dollars. Over twenty-plus years, Bernie proved himself in several major events, and has an enhanced bank account to show for it. He managed two second place finishes in the High Roller 40 & Over Tournament and a 50 & Over event. Anyone familiar with High Roller tournaments knows how difficult it is to cash in these events, yet Bernie has managed to garner more than \$270,000 in earnings, including winning a Sweeper and an Early Bird event.

He also earned a television spot in the finals of a Steve Sanders Shoot-Out. Additional winnings in these events earned him another \$20,000 in prizes. Competing in the West Coast Senior Tours Bernie was a consistent casher and Winner of WCST stops at the Showboat, The Orleans and Gold Coast.

Another High Level Las Vegas tournament series is the High Roller Scratch Military Tournaments. As a retired Army veteran, Bernie has an impressive resume in these events. Among those accolades: A member of the winning team in 2001, 2002, 2003, 2006, 2007, and 2008. He also assisted his team in becoming the Team All Events Champion in 2001, 2002, 2003, 2005, 2006, 2007, 2008 and 2009. This is in an event that hosts many of the country's top senior bowlers, a testimony to just how great a bowler Bernie has become in spite of physical speed bumps along the way.

Also in the Military events, he was the individual All Events Champion in 2002 and 2012 and Doubles Champion in 2002, 2009 and 2011. His list of accomplishments in the Military tournaments spans nearly two decades of exemplary bowling performances. As for that elusive 300 game, Jerry has now amassed 26 perfect games and a total of ten series of 800 or better. The number of 700 series he has posted are too numerous to recall, because a 700 series has become almost routine every time he shows up.

In 2020, Jerry finished 4th in his division in the SNUSBCA Annual Doubles Championships. In the lucrative and prestigious Las Vegas Bowlers Tournament, Jerry posted a 1st and 2nd place in 2021 events.

Lou stayed active with his bowling. In 1980, he won the prestigious Singles Invitational league at the Showboat Lanes.

# Kerry Painter Superior Performance

Kerry Painter was born while his dad was a Marine stationed at the Panama Canal. His passion for bowling started when his dad took the kids to the lanes. Although he has no significant success as a youth bowler, Kerry honed his skill at an early age.

He attended George Mason University, graduating with a degree in psychology. During those years, Kerry began the arduous task of becoming not just a bowler, but a champion.

He went to work at the Post Office, and took a test for Air Traffic Controller and easily "landed" that position in Reading, Pennsylvania.

He moved to Las Vegas in 2000 and became an association member that year.

Kerry remained as an Air Traffic Controller for 18 years in Pennsylvania, and at Reid (McCarran) International for seven years before his retirement.

He found out the stresses of air control can be quelled by bowling, and his penchant for striking soon became evident whenever he took to the lanes.

In a 2007 interview in the *Las Vegas Review Journal*, Kerry was quoted saying, "I'd rather deal with getting that 12th strike than what I was handling at the airport."

Getting that 12th strike has become a way of life for one of the most prolific local, national and international top-flight bowlers ever to shoe up on the lanes. At this writing, Mr. Painter has logged over **105 perfect games** on a plethora of lane conditions throughout the world. Along with that, he has posted **37 series of 800** or better.

One of those 300 games came in the 2006 SNUSBCA City Tournament. In that event, he also had an 11-in-a-row, and posted a **City Tournament record of 879**. Kerry has a 2nd place finish in the 2021 SNUSBCA Senior Doubles Tournament, and a 5th place in the 2019 City Senior event. In 2021, Kerry and Brian Cooper captured the SNUSBCA City Doubles Championship.

He posted an amazing **average of 243 for 66 games** in the 2010-11 Senior Match Point league at the South Point Bowling Center

His powerful strike ball has made quite an impact in league and tournaments throughout Southern Nevada for decades (see page 2).

Nationally, Kerry is a **1998/99 ABC Singles Champion**, a two-time Senior High Roller Champion, the 2011 Nationwide Stars Champion, posted a 300 game in the USBC Open Championships, and finished 11th in an Open Championships All Events as well. He has won the GFBC Fairbanks (Alaska) Open in 2011 and 2013.

Internationally, Mr. Painter has won three International Senior Classic Bowling Tournaments in Malaysia and finished 2nd in three events in Bangkok, Thailand.

As a PBA member, he became the oldest Exempt member during the years the PBA use the Exempt system. He won the **2010 PBA South Regional Senior** title, and also the **PBA Regional Doubles** title at Virgin River with SNUSBCA Hall of Famer David Haynes that same year. Kerry Painter has proven himself as an exemplary bowler and a dedicated competitor.

In addition to that, he has also proven to be an exemplary indiviual as well, helping bowlers of all calibers improve their skills.

During local and national events at the South Point Plaza, Kerry can be seen coaching and offering his extensive knowledge to many of the vast array of friends he has earned during his years as a true lover of our sport.

Kerry Painter has proven himself to all of us here in Southern Nevada that he has all the attributes to be honored in our Hall of Fame.

In 2010, Kerry Painter and David Haynes won the PBA Junior/Senior Doubles at Virgin River in Mesquite.
